Feeder Heifers 800-899	150-163
Feeder Heifers 900-1000	

Market has had a correction since we ended 2017. There is very little slide from the 9 wts down to the 7 wts as the predictions for fat prices in late summer are very bearish. Feedlots are expecting to finish the 9 wts before fat price drops. Unfortunately, the 7s will finish up in the predicted lows.
